# CLUB AVANTÉ

Designed with lasting luxury in mind

Own an Avanté Club and get ready to accept the admiring glances of passer's by. Clean, modern styling attracts the eye, but belies the understated luxury that awaits inside. The Avanté Club is spacious, thoughtful touches abound within an interior crafted for effortless relaxation. There's nothing that hasn't been thought of; enjoy the latest Sony entertainment centre with radio, CD player and ipod/MP3 connectivity. Stock up the spacious 115ltr Thetford fridge and relax, knowing all your holiday requirements are catered for! Precious extra preparation space is created by the virtually indestructible 'Chinchilla' heat resistant glass hob and sink covers which double up as chopping boards. With Spinflo's newest high speed hob and oven combination, rustle up everything from a tasty snack to a party meal the family will be talking about for years to come.

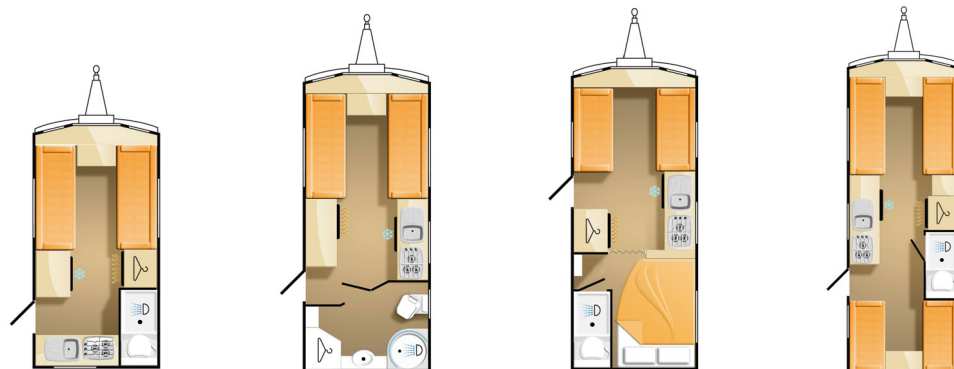

Beautifully practical, simply stylish  
and virtually indestructible glass hob and sink covers

We build on tradition, with the latest cutting-edge advancements. On the road it's technology and engineering you need to handle those long journeys mixing motorway and by-way. Light and agile, the Avanté Club's road holding comes thanks to a BPW Swing V-Tec chassis which is stabilised by Winterhoff's WS3000. It all adds up to a touring experience, which begins on the road and ends effortlessly at your dream location. Unhitching, hooking up and winding down the big foot stabilising legs takes only a few minutes - so you can put your feet up and stretch out with your favourite tipple.
