Design that stands the test of time

Odyssey 550

# Odyssey

New horizons in technology and comfort

An Odyssey is built for adventure. An adventure into a new world where tradition meets the latest thinking. Cool Seitz privacy glass sets the tone of a caravan, which at a glance is simply a cut above. In translating the designer's concept our craftsmen have indulged themselves in the Odyssey. Carefully selected materials from the best of Europe's suppliers in colours to indulge the senses and lines which softly create an interior that simply exudes a feeling of space. The feel is solid, classical even and ultimately enduring! You'll not notice the years go by in your Odyssey. Your very own Odyssey starts here, with years of satisfaction ahead.

Sophisticated, elegant  
and immensely practical

Odyssey 524

# Odyssey

Specially equipped for the easy life

Time slips by in the Odyssey. Peaceful moments of relaxation pass sipping a sumptuous Rioja and the Sony sound system sets the mood for the evening's dinner party. Fresh produce straight from the large 115ltr Thetford fridge is prepared on the worktop -made extra spacious by virtually indestructible heat resistant 'Chinchilla' glass hob and sink covers, which double up as chopping boards. Cook-up a storm with your multi-function new high speed Spinflo hob and spacious two-shelf oven. For even larger get-togethers there's always the external barbecue gas point and as night draws in, the awning warmer to keep the chill out.

Odyssey 524

Beautifully practical, simply stylish and virtually indestructible glass hob and sink covers

Set off on your own adventure and you'll soon discover this is a caravan engineered for the road. Light and responsive, the Odyssey will cruise the motorway as effortlessly as it handles those demanding B roads which often lead to the most idyllic caravan sites. The BPW Swing V-Tec chassis allied to Winterhoff's WS3000 stabiliser really add a new dimension to the experience of touring. Once you've arrived it's time to get down to the serious business of relaxation. Unhitch, stabilise, hook up and in minutes you've got your feet up, luxuriating in a world of your own.

# Layouts for your lifestyle

**Built to Last - Inspiring Confidence**

Explorer Group is the only UK caravan manufacturer to be accredited by the Institute of Mechanical Engineers.

All our models have been certified by the National Caravan Council for compliance with stringent European standards, British legislation and industry-set codes of practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of each product from fire safety, weights and dimensions, to gas, electrical supply and ventilation. Relax, safe in the knowledge every Explorer Group caravan and motorhome is built with your safety and satisfaction in mind.

Every Explorer Group caravan or motorhome proudly carries the NCC Approved badge of quality.
